### Picture Perfect

Snazzify an iPhone with a snapshot of your favorite chub face! All it takes is a photo upload. Bonus: The case makes your device harder to break. (\$35-\$40; KodakGallery.com)

### No baby yet?

Before you've got a picture to share, you have a baby to name. Mull over more than 25,000 monikers and their meaning using our **Baby Names app!** (free; americanbaby.com/mobile-apps)

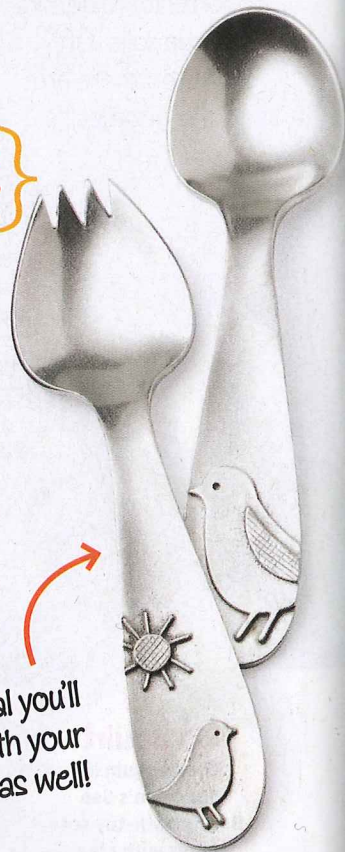

He wrote it in 1994, but Sam McBratney's *Guess How Much I Love You* is already a classic, celebrating, the Irish author told us, "that intimacy between a big one and a wee one." We adore the new padded board book. (\$10; BarnesAndNoble.com)

### Book of Love

### Fine Dining

Purees look more appealing on these lead-free pewter baby utensils. The vintage-inspired, handcrafted set is a classy way to celebrate your tot starting solid foods. (\$48; BeeHive Kitchenware.com)

So special you'll use them with your next baby as well!

**ONE SIZE FITS...** even as your sweetie's feet grow! The cool idea behind Stonz water-resistant booties is that they adjust with a cord to stay on. Slip them over your baby's shoes or socks and they'll keep his tootsies toasty. (\$40; StonzWear.com)
