It's a bootie prepared for the elements. Stonz are all-weather footwear for your baby, from newborns to about 3 years old. They are light for little feet, but provide cozy protection with its fleece lining and weather-resistant nylon exterior.

Stonz have an adjustable fit thanks to easy boot toggles; soles are skid-resistant. They are so cute, you can forget they're functional – lots of groovy styles to choose from! Find a

design you like, for boys and girls, for about \$40 at www.stonzwear.com. Parents will also like its easy cleaning too; just toss them in the washer *and* dryer.
