### Coollest Products for a Cold Winter

By Stephanie Ila Silver-Silberstein

Bizarre October snowstorms aside, it seems we're getting away with a pretty mild winter so far. Then again, the last few months might just be the calm before the literal storm. So here are some of metro mama's must-haves to get you through the next couple of months.

#### Stonzwear

Keep your baby's toesies warm with a pair of **Booties by Stonz**. These innovative and award-winning Booties easily slip over existing clothing and shoes and stay on infant and toddler's feet thanks to two toggle clasps. Stonz also offers a full line of infant and toddler clothing and accessories certain to keep your little ones warm the rest of winter. Visit <http://www.stonzwear.com>.
